

PROJECT LIST

The following is a partial listing of project supplied by Chemco in recent years classified by product.

Power Industry Powder Activated Carbon Systems

Power Company	Power Station	APC Supplier	Scope of Supply
Wheelabrator Technologies	South Broward Resource Recovery Facility		PAC System
First Light and Power	Mt. Tom Generating Company Unit 1	Babcock Power Environmental	PAC System
Ameren Energy	Meredosia Unit 3	ADA/ES, Inc.	PAC System
Ameren Energy	Edwards Unit 1	ADA/ES, Inc.	PAC System
Ameren Energy	Edwards Unit 2	ADA/ES, Inc.	PAC System
Ameren Energy	Edwards Unit 3	ADA/ES, Inc.	PAC System
Ameren Energy	Newton Unit 1	ADA/ES, Inc.	PAC System
Ameren Energy	Newton Unit 2	ADA/ES, Inc.	PAC System
Texas Utilities	Oak Grove Station	Babcock Power Environmental	PAC System
Wasatch Energy Systems	Wasatch Waste To Energy Plant	Wasatch Integrated Waste	PAC System
AES Greenidge LLC	Greenidge Plant Unit 4	Babcock Power Environmental	PAC System
Dominion Energy	Brayton Point Station	Wheelabrator Air Pollution Control	PAC System
Westchester RESCO	Westchester Waste To Energy Plant	Wheelabrator Air Pollution Control	PAC System
Robbins, Illinois	Incineration Facility	Belco Technologies	PAC System
McKay Bay	Refuse to Energy Facility	Wheelabrator Air Pollution Control	PAC System
Baltimore RESCO	Baltimore Waste To Energy	Wheelabrator Air Pollution Control	PAC System
Nashville Thermal Transfer Corporation	Nashville Waste To Energy Plant	ABB Environmental Systems	PAC System

Power Company	Power Station	APC Supplier	Scope of Supply
Pinellas County	Resource Recovery Plant	Wheelabrator Air Pollution Control	PAC System
Savannah Energy Systems Company	Savannah Waste To Energy Plant	Environmental Elements Corporation	PAC System
Osceola Cogeneration Project	Osceola Waste To Energy Plant	ABB Environmental Systems	PAC System
Okeelanta Cogeneration Project	Okeelanta Waste To Energy Plant	ABB Environmental Systems	PAC System
Mok Dong	MSW-Seoul	ABB Environmental Systems	PAC System
